Those scholars who applied to specific Enterprise Partners under the Enterprise Partnership Scheme will be contacted in the coming weeks to let you know the outcome of the assessment. In addition to these named scholarships, further scholarships may be offered in the coming months.

In 2007 a number of scholarship are available to non EU citizens.

The following candidates have been successful under this aspect of the scheme. Successful candidates will receive letters of offer over the coming days. All other candidates will receive correspondence over the coming weeks.
